10 July 1959

MEMORANDUM FOR : Acting Chief, DPD
THROUGH : Chief, Administrative Branch, DPD
SUBJECT : Security Personnel
(Overtime Compensation)

1. In a discussion with [redacted] on 10 July he advised me regarding implications of Agency Notice [redacted] dated 18 June 1959. I understand this notice to preclude the payment of overtime to personnel in the grade of GS-11 and above, with the exception of those employees involved in an hourly production capacity. It seems the intent of the exception relates to those activities requiring a certain specified hourly effort. This then applies to our Security shift supervisor personnel within the Detachments. These officers are GS-11's, and it is my view they should be permitted overtime compensation and made an exception to the regulation. By way of information, I would like to note that the Senior and Deputy Security Officers would not receive such compensation, and it is their normal practice to rotate duty assignments within the pay periods so as to equalize the workload as much as possible. When a courier assignment or staging operation occurs, it is impossible to prevent some of the shift supervisors from being required to work overtime. At present, they are authorized eight hours overtime per week. It is not intended that they receive any more overtime than in the past, in the event you approve my recommendation.

2. Recommendation: Security Officers in the Grade of GS-11 within Detachments B [redacted] and at Edwards AFB be authorized overtime compensation as an exception to Notice [redacted] dated 18 June 1959.
